Main page

Study Material

Arts & Craft
The Basics of Woodturning

Painting
An introduction to oil painting

Book page

4.Advantages

1.convenient Accesibility

2.Permanent source of Education

3.Improved Customer engagement

4.interactive learning

5.Cost Effectiveness

6.Systematic and Improved learning Ability

4.Disadvantages

1.Unexpected Software and Hardware issue
2.No physical interaction
3.No Direct Response
4.Restricted feedback

5.Application

   Educational institutions such as, schools, collages, and universities can use the app to create interactive study material for their students. The app include various features such as interactive quizzes, video tutorials and study guides and different modules.

6.Conclusion

   This app ensures that students are able to acess their required study materials which are essential for their academics and also improves the communication between the students and teaches in online mode.

7.Future Scope

   With digitalized india initiatives, many educational industreis are getting updated with the latest online courses.Now a days it's been easy to learn with online courses where ever you are you can access the online course and learn new things in this competitive market.An Application like Udemy,Byjus,TED,NCERT etc.
